AgilityHealth® Facilitator Certification

Take your Agile skills to the next level with the AgilityHealth Facilitator (AHF) Certification.

Learn how to facilitate a TeamHealth Retrospective (2.5 hr session) and develop actionable growth plans.

Who Should Attend

Agile Coaches, Senior ScrumMasters, Managers and other team leaders who want to improve the health and performance of their teams.

Requirements

• 1 year of Agile experience
• Group facilitation skills

Details

• 1 day workshop – $1195
• Delivered online, public and private

Learning Outcomes

• Discover the purpose, deliverables and agenda for facilitating a TeamHealth Retrospective
• Understand the five dimensions of the TeamHealth radar and how to introduce them
• Participate in a TeamHealth Retrospective simulation
• Practice analyzing TeamHealth radars and developing growth plans
• Learn how to set up teams and run retrospectives

Upon completion, you'll receive:

• An official AgilityHealth Facilitator certificate
• The ability to display the logo and abbreviation in your title
• Access to deliver one FREE TeamHealth Retrospective and continue to deliver the retrospectives with paid subscriptions
• Valuable course materials
